

The GEMA logo is displayed in white on a dark blue background. It consists of the word "GEMA" in a bold, sans-serif font, followed by a teal-colored geometric icon. The icon is a stylized triangle composed of three smaller triangles meeting at a central point, with black outlines.

GEMA

The background of the image is a photograph of several crystal vases filled with various flowers, including roses and hydrangeas. The scene is dimly lit, with a soft teal or cyan tint applied across the entire image. The vases are arranged in the foreground, and the background shows a blurred interior space with more floral arrangements and a white pedestal.
